Additional Information

What Are Hormann Garage Doors? Elite Products. Expert Installation. Immaculate Design.

If you are interested in the very best garage door solution for your home, you do not need to look much further than a door supplied and installed by Hormann.

The world leader in garage door and roller shutter technology, Hormann offer an uncompromising approach to quality in every component of their doors.

S&S Shutters are an officially recognised installation partner with Hormann Doors, meaning we are trusted to make sure the shutter and garage doors are installed to the absolute highest levels of quality.

Hormann doors are available in a range of striking styles, and if you are looking for something truly breathtaking to compliment your home, speak to a dedicated member of our enquiries team today and ask about our partnership with Hormann.

What Applications Are Hormann Doors used in?

Hormann Garage Doors are available in a range of different operations to suit your opening. They are designed for home use, so have a striking visual appeal backed by industry leading quality in engineering.

The following operations are available:

- Sectional Garage Doors
- Up and Over Garage Doors
- Roller Garage Doors
- Side Sliding Sectional Garage Doors
- Aluminium Frame Door
- Hinged Garage Doors
